Native language

### English

IELTS overall score: 7,5

Academic IELTS test (Cambridge English language assessment). Test was taken in the year 2015. Since then my English has improved.

## Volunteer work

---

### World Servants

Tanzania (3 weeks, 2011)

Volunteer work for three weeks in Tanzania. I helped to build a couple of brick houses in Handeni.

## Education

---

<b>Camera operator</b> Camera College, Netherlands (2019)	The course was focused on learning both the technical and creative sides of filmmaking. With theory and practical assignments.
<b>Bachelor Communication en Multimedia design</b> Hogeschool Rotterdam, Netherlands (2014 - 2018)	I've learned to design meaningful interactive products and services for people. And to work from the interests and perception of users and clients.
<b>Study abroad Communication Design</b> Otago Polytechnic New Zealand (2017)	Communication Designers communicate information visually. I've learned to tell stories through still and moving image, text and interactive media.
<b>Secondary vocational Multimedia design / interactive</b> Grafisch Lyceum Rotterdam, Netherlands (2013 - 2014)	An additional year to learn about website design and the basics of website development. To understand and communicate better as a designer with developers.
<b>Secondary vocational Multimedia / graphic design</b> Grafisch Lyceum Rotterdam, Netherlands (2009 - 2013)	I've learned to develop corporate identities for companies and brands. And implement this in folders, websites, apps, magazines, books, flyers, signage, packaging etc.

## Experience

---

<b>Owner / videographer</b> at Waanzicht, Netherlands (01/2022 - present)	I've started my own videoproduction company. I make mostly videos for companies and brands that they can use for their social media or website.
<b>Beach Activity instructor</b> at Natural High, Netherlands (05/2022, present)	I instructed how to blokart, power kite, kite buggy, stand-up paddle etc. And I made sure every visitor left the beach with a smile.
<b>Graduation Internship UX/UI design</b> at Buro NCP, Netherlands (5 months, 2018)	I researched the difficulties of writing a business plan and designed an interactive tool to make the process easier and help to find the core of your business.
<b>Internship Visual Design</b> at 10UUR, Netherlands (5 months, 2016)	Internship at creative agency 10UUR. I worked here as a visual designer. I mostly worked on graphic design projects and sometimes as a webdesigner.
<b>Internship Graphic Design</b> at Marketing Mechanics, Australia (4 months, 2012)	Internship at Marketing Mechanics. I've worked here as a graphic designer. I designed posters, newsletters, flyers etc.
<b>Internship Graphic Design</b> at LogoProf, Netherlands (6 months, 2012)	Internship & during the summer vacation at LogoProf. I've worked here as a graphic designer. I designed posters, logo's, flyers etc.
